

Job Vacancy

Job Description: Deburring Agent

Competition Number: M2017-03-007

Arnprior Aerospace Inc. combines facilities from Canada, the United States and Mexico to develop and manufacture aerospace structure and components for North America's largest aerospace companies. This opportunity is located at our Arnprior Aérospatiale Montréal Inc. facilities located in Saint-Hubert, Quebec.

Role: Under the authority of the Team Lead, the incumbent is responsible for performing the following duties:

Responsibilities:

Assembly & Operations

- Perform deburr steps as outlined in the work order
- Install the device to adjust/fix parts
- Check the equipment settings
- Self-Inspect parts
- Route parts accurately through product flow
- Train colleagues as required
- Other duties as assigned

Quality

- Comply with company standards and rules; specifically AS9100 standards

Health and Safety

- Operate in a safe manner in line with the Company's health and safety standards

Mandatory Requirements:

- High school diploma (DES) or equivalence
- Relevant work experience in the deburring, filing and cleaning of high-precision metal parts
- Experience manipulating work tools
- Ability to read and interpret technical drawings
- Strong manual dexterity and visual acuity

Applicants will be required to meet the requirements of the Government of Canada Controlled Goods Program (CGP) and the US International Traffic in Arms Regulations (ITAR). Interested applicants are requested to send their resume to the Human Resources Department of Arnprior Aerospace at hr@arnprioraerospace.com; or by fax at 613.623.1720. PLEASE INDICATE COMPETITION NUMBER M2017-03-007 in the subject line.
